

# The 7th International Conference on Computer Science & Information Technology (CSIT'2016)

IEEE  computer society

13 - 14 July 2016, Amman, Jordan

## Call for Paper

We take great pleasure in inviting you to the '7<sup>th</sup> International Conference on Computer Science & Information Technology (CSIT) - 2016, on 13 & 14 July, 2016 organized by Applied Science Private University, Amman, Capital of Jordan.

CSIT'2016 is a peer-reviewed conference indexed by IEEEXplore and technically co-sponsored By IEEE Computer Society. It will bring together researchers, designers, developers and practitioners interested in the advances and applications in the field of computer science and information technology. International experts have been invited to deliver keynote addresses and share their rich experiences.

### Aims & Scope

CSIT'2016 aims to obtain a good perspective into the current state of practice to address important Computer Science and Information Technology problems. Papers reporting on new research and new products or concepts are encouraged.

### Submission & Publication

Accepted and presented papers will be published in the conference proceedings and submitted to IEEEXplore. Prospective authors are invited to submit an original full-length paper (10-point font) in IEEE format via the EasyChair submissions system at CSIT'2016 (<https://www.easychair.org/conferences/?conf=csit2016>). Note that the maximum number of pages is 6. Submitted papers must represent original material that is not currently under review in any other conference or journal and has not been previously published. For paper submission details please visit <http://csit.asu.edu.jo/csit2016/index.php/submit-a-paper>. Short list of accepted and presented papers will be invited for extended version to be published in Jordan Journal of Applied Science (ISSN: 1605-2579).

### Registration

Registration is required for all participants. To be published in the proceedings, every accepted paper MUST have at least one registered author at the full rate and must be presented at the conference. The registration for the conference includes the cost of the conference proceedings, attendance to all sessions and talks, lunches, banquet dinner and a tourism trip. More details about the registration can be found at <http://csit.asu.edu.jo/csit2016>. Conference email: [csit@asu.edu.jo](mailto:csit@asu.edu.jo)
